DARING-BELIEVING-ACHIEVING
A BASKETBALL CLINIC DESIGNED TO EMPOWER

The **Sarasota Housing** is excited to bring **Jerod Ward former NBA player**, to our community. Please join him in a basketball clinic at the **NEWTOWN BOYS AND GIRLS CLUB**

Jerod Ward, NBA player, ESPN analyst and well respected motivational speaker is coming to Newtown. Jerod knows what it takes to overcome life's challenges. He is no stranger to adversity nor success. His journey has molded him into the man and father he is today. The transition from his young adult years to earning the Naismith award as the #1 high school basketball player in the nation, a career as a professional basketball player, international player/coach and respected motivational speaker has been achieved through grit, discipline and a laser focus. To sum it up in simple terms- "Daring – Believing - Achieving". This is the keystone philosophy of Jerod Ward's life's successes. Life has taught Jerod the meaning of resilience and how to transform adversity into success. By Daring and Believing he has been able to continue Achieving on and off the court. He brings a broad breath of hands on life experience and a wide perspective to those with who he works. He learned to motivate and educate as a top-level player and a coach. His polished and vivid speaking style, honed as an analyst for ESPN, draws in any audience. He will speak on topics including, overcoming adversity, teamwork and realizing and reaching one's potential. If you DARE to BELIEVE then Jerod Ward will help you and your child SUCCEED.

Jerod will share what he has learned and experienced through basketball skills and drills with all who attend. Participants will feel the empowerment from working on skills, the strength and values of teamwork and begin DARING – BELIEVING IN THEMSELVES – AND START ON THE ROAD TO ACHIEVING.
